Linen is widely considered the most versatile and popular textile for interiors because of its durability, breathable quality, and warm, natural appearance. The Honoré collection is a tribute to this classic, spanning the spectrum from casual to sophisticated with three unique linen textures, all evoking that same natural charm.

Lin

Lin is an interpretation of a warm and tactile, rather tightly woven linen with a natural look and feel. The designers took inspiration from the beauty of nature for the colour palette, which includes soft earthy tones, crisp greens and blues, and the intense hues of late summer.

Lin is available in 61 colourways.

Terre de Lin

Terre de Lin is a faithful interpretation of a more loosely woven linen, layering texture to your wall. This plain wallpaper comes in a wide range of colours, from soft earthy tones to more vibrant hues.

Terre de Lin is available in 32 colourways.

Lin Normandie

Lin Normandie is a very realistic rendering of a more open and airy linen with a loose weave. This highly versatile plain wallpaper comes in a wide range of colours, enhancing the look and feel of any interior.
